The Prostheses secretariat plans to send an initial draft February 2017 Prostheses List to sponsors and suppliers in early January. This will allow time for sponsors to identify any issues early by checking the details of listings and advising the secretariat about any necessary corrections.

Please note this initial draft will not include any items scheduled for consideration by PLAC at their meeting at the end of January.

The final draft, which will include items considered at the January PLAC meeting, will be sent out after the 27 January 2017 cut-off. This will be the final opportunity to check the details of listings and advise of any necessary corrections.

The deadline for final corrections to be advised when final draft is sent.

Any queries regarding this matter should be directed to Prostheses Section or the Prostheses Hotline on (02) 6289 9463.
